## For Immediate Release

Regarding the Date of Electioneering Limitations Near Polling Places

McMinnville, OR — September 22, 2008

Today we learned that the Yamhill County Republicans had filed a complaint with the County Clerk's office regarding an alleged electioneering violation by the Yamhill County Democrats.

As in past elections, the Yamhill County Democrats had already been working with the County Clerk's office and the Secretary of State's office last week to clarify the date at which election materials need to be removed from display from our headquarters façade across from the Clerk's office. County Clerk, Jan Coleman, has confirmed to us that the date, pursuant to ORS 260.695 and 254.470 is 29 days before the election date of November 4, 2008, being October 6, 2008. So there is no violation.

We remain conscientious in our efforts to participate in a fair, open election system and appreciate the diligence, speed and fairness with which the County Clerk's office and the Secretary of State's Elections Office have worked to ensure the rules were clear.

While it is unfortunate that incorrect information was disseminated earlier, we believe it was a result of fair-minded interpretation of complex rules. And we also respect our opponent's vigilance in this matter.
